

FEBRUARY

DON'T FORGET TO REGISTER!!

VPK registration has begun for the upcoming school year. If your child turns 4 years old by September 1st, 2021, then he/she is eligible to register! If you have any questions, please speak to someone in the office. We will gladly help!

It is required by the Early Learning Coalition that every VPK student arrive and be in class by 9:00 am. If your child is currently enrolled in VPK then you must sign a form at the end of every month called the VPK Short Form.

Make the Switch to FLVS

We are excited to introduce to you FLVS that offers supportive online learning for students in Kindergarten through 12th grade. They provide curriculum to public, private, charter, and homeschool families. FLVS gives you the opportunity to have flexibility and one on one support at your own pace. There are flexible and full-time options that allows you to enroll in one or multiple courses, even if you choose to stay enrolled in your current elementary or high school. All the courses offered meet the Florida Standards.

Visit [Online Learning Options for 2020 School Year - Florida Virtual School \(flvs.net\)](https://flvs.net) to learn more about this exciting opportunity!

Our Valentine's day party will be on Friday, February the 12th. In preparation for this fun day, students will need to bring in a shoe box.

Wear red or pink on Friday 2/12 and we ask that parents bring in a special treat for their classroom celebration.

Some examples that you can bring are:

Cookies, marshmallows, strawberries, oranges, watermelon, cantaloupe, pineapple, mini cupcakes, heart shaped candy, Hershey's bars, vegetable platter, rice crispy treats, and popsicles.
